Notification to all residents that the City of Hometown will no longer estimate meter readings, the read-o-matic outside will be read each month and residents will be billed each month for the water that went through the inside meter the previous month. In the past we only read the outside read-o-matic every 3 months and estimated the two months in between. Reading every month will give everyone consistent billings. If you receive a letter regarding an issue with your inside meter you must call and make an appointment to have Public Works come in and check it. Sometimes the read-o-matic stops reading and it could be a loose wire or you may need a new generator.
